

E-Waste Recycling

Do you have any obsolete or broken technology products?

We will:

Pick up PCs, servers, switches, audio/video equipment and routers from your business.

Destroy your data and issue a *Certificate of Destruction* upon request. Data destruction is DOD-ITAR compliant.

Ideal for

Systems and Design Consultants
Facilities Maintenance and IT
Educational Institutions
Service and Repair
Networking

MPCA ID # MNS000167288

Real Estate

Do your clients leave unwanted goods behind?

We will:

Pick up unwanted or unneeded items from homes, apartments and businesses.

Offer cleanup services so that the home, apartment or building can be sold or rented.

Ideal for

Commercial and Residential
Property Management
Relocation Agencies
Interior Designers
Realtors

Commercial Businesses

Do you have merchandise that is unsalable or being replaced?

We will:

Pick up surplus items or items being replaced from your business, warehouse or client locations.

Coordinate a pickup that does not interfere with the delivery of new merchandise.

Ideal for

Commercial Warehouses
Dropship Companies
Manufacturers
Distributors
Stores

Senior Communities

Do your clients need help with unwanted or unneeded items?

We can help!

Families are often overwhelmed by the transition process. Jobs Foundation assists in making this process easier by offering services for moving as well as the pickup of reusable donated items.

Inbound Clients

We will pick up unwanted or unneeded consumer goods for individuals who are moving into a senior or assisted living facility.

Outbound Clients

We will pick up unwanted or unneeded goods from people who are no longer at your facility.

Your organization may also donate equipment no longer used by your facility.

Phone: (763) 548-2288
